NAAC ACCREDITED "A" GRADE COLLEGE

To ,

The President, Governing Body

Shanti Devi Arya Mahila College,

Dinanagar.

Subject- Regarding approval of AQAR of the session 2016-17

Sir,

With reference to the above mentioned subject, I would like to inform you that our institute has been re-accredited by National Assessment & Accreditation Council (NAAC), Bangluru March 2013. For subsequent accreditation it is highly essential to maintain quality parameters inside the institution. Also every year it is highly essential to send the detail report known as the Annual Quality Assurance Report (AQAR) to NAAC after approval of GB.

I am here by placing the Annual Quality Assurance Report (AQAR) of 2016-17 for your approval which is highly essential for re-accreditation of the college in coming years.

Thanking You

Principal
SDAM College,
Dinanagar.

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. *(Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)*

3. Research, Consultancy and Extension

3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

Staff was motivated to attend more seminars/conferences/workshop with paper presentations and the same published in conference volumes with ISBN Number. IQAC also encouraged the permanent faculty to undertake Major and Minor Research projects funded by UGC.

On the initiative of IQAC:

Research committee has been constituted to promote research work among faculty members and students and to address the research issues. The committee facilitates access to research oriented activities like presentation of research papers at regional, national conferences and seminars and publication in research journals of national and international repute.

It plans and organises regional/national seminars and workshops.

To motivate research activities in the college, IQAC recommended that some of the departments to be provided with more computers with Wi-Fi facility.

IQAC maintains a records of published/research papers in journals and Papers presented in the seminars/conferences by the faculty members.

IQAC encourages the teachers to publish their research work.

To motivate teachers to prepare and send proposals for minor and major research projects. Internet facility is provided to staff and students free of cost in the library. All the Science departments also have internet connection.

7.4 Contribution to environmental awareness / protection

College believes in promoting a society, which cares for the environment: *cares to protect, preserve and conserve*. Realizing the importance of sustainable development many activities are undertaken to make the campus environmentally friendly and students sensitive to ecological issues. *Solar panels* are used as an alternative to conventional energy sources. College has a *compost pit* in which organic matter is converted to manure. *Constant effort to minimize waste generated in the labs is made*

Environment awareness:

All the students of under-graduate programme study the subject of Environmental Studies. Also the department of NSS organizes seminars/rallies for environment protection. All this enlightens the students about clean environment.

The students displayed wall posters on the following topics:

- a) Natural calamity in Odisha.
- b) Biodiversity.
- c) E-Waste Management
- d) Acid Rain
- e) Ozone Depletion

Energy Conservation:

The class rooms have been constructed in such a manner that allows the optimal use of sun light. Use of CFL lights is encouraged in campus to save electricity. Electrical appliances and equipments are switched off when not in use to conserve energy.

Efforts for Carbon Neutrality:

- a) Dead leaves, organic wastes and other waste products are not put into fire. Organic wastes are either buried in pits or used as fertilizers.
- b) Institution has strictly banned the use of cigarettes and tobacco products within its campus.
- c) Organic fertilizers are used for the plants and trees.
- d) Separate arrangements for the parking of vehicles of staff as well as students have been made. To make the campus pollution free, vehicles are not allowed to ply on the college campus.

Plantations:

We are proud and privileged to have a lush green campus. To add to this greenery, NSS units, YRC and IQAC regularly organize tree plantation camps. NSS volunteers are entrusted with the responsibility to nurture and take care of these plants.

Hazardous Waste Management:

- a) Use of polythene bags is completely banned in the Campus.
- b) Strict vigil is maintained in the science labs while students deal with chemicals during practical classes.

7.5 Whether environmental audit was conducted?

Annexure- IV (i)**Best Practice****Practice No: 1****TITLE:**

To inculcate the value of writing scientific papers and publishing it in Indexed Journals among faculty members of the college.

OBJECTIVES:

Increase the number of research projects among the staff

Increase the number of publications in indexed journals

Encourage inter disciplinary/ multidisciplinary collaborative research efforts to introduce best practices in health care based on evidence.

THE CONTEXT:

Writing and publishing research papers are an integral part of the professional life. This will not only help in obtaining knowledge and increasing the number of projects in hand but also it opens the way for best evidence based practice in the health care profession.

THE PRATICE:

The first part of the practice includes, encouraging the teachers to write the scientific papers.

Then the written manuscripts are verified by the research and ethical committee. Once the manuscripts are ready, the ways are identified to get it published through various means. The papers are presented in the workshops, conferences and in national and international nursing journals.

EVIDENCE OF SUCCESS:

- The faculties have benefitted because of their professional growth.

PROBLEM ENCOUNTERD:

- More qualified members are required in doing advanced researches

- More budget provision is needed in certain studies

- Less number of senior experienced faculty is another problem in conducting advanced
