Parent Teacher Meets (2018-2023)

Parents and Teachers are the primary stakeholders in the process of educating a child. Parent-teacher interaction helps in overall development of a child. Moreover, the Parent-Teacher Meet (PTM) is an occasion to establish effective communication between parents and teachers, and to provide a platform for collaboration and mutual understanding in the best interest of the student.

Objectives of Parent-Teacher Meet (PTM)

The main objectives of organizing a Parent-Teacher Meet are:

- To update the parents about their wards' performance by providing a platform for sharing information and fostering open dialogue.
- To help parents and teachers create a conducive environment for the holistic development of their ward/disciple.
- To help parents understand their child's academic progress.
- To create a better understanding between parents and teachers.
- To find solutions to academic or behavioral problems of children.
- To help parents understand the special skills of their child.
- To help parents understand their role in the overall personality development of their child.
- To work for the improvement of the institution with the involvement of parents and teachers.
