31 Mar 2022 Red Ribbon Club organised a "Nukkad Nataka" named as "Vehngi" performed by renowned "Red Arts Theatre Group" which was staged on 31st March on the topic "Importance of Teachers and Education". These performers are on the mission to make a bridge between students and teachers.

They are critically acclaimed nationwide for their Nukkadnataks on several issues associated with the education system itself. It is the second time that they performed in the premises of this sacred institution. They are the rising stars of Bollywood with their previous film 'Punjab 2016'. Their upcoming projects like 'Main teBapu' and 'KaliJauta' are ready to release in next month. The said play is outrightly dedicated to Teachers and Education system. The gist of the drama on such issue was presented so comically that students got swayed by the performance. Ms. Dilpreetkaur, Head, Department of English sophisticatedly gripped the stage. Principal Dr. Reena Talwar congratulated the performers, teachers and students who enthusiastically viewed the show. She enunciated that the teachers are the nation builder so students must have respectful attitude towards them.
