Teacher's Feedback Analysis

Session: 2018-2019

Internal Quality Assurance Cell (IQAC) of Shanti Devi Arya Mahila College Dinanagar has designed a google form to collect feedback from its faculty to monitor and evaluate its quality on curriculum and curriculum-related issues. The feedback forms were collected from teachers on several aspects of the curriculum and its learning-related issues in terms of quality, competence, skills and professionalism. The responses were collected over a four-point scale (Strongly agree, Agree, neutral, Disagree) from a sample size of **77** teachers, that reflected their viewpoints. From the received responses, the IQAC prepared the feedback analysis report and required action was taken against the suggestions received.
