Printed in India

Published by Jhapsu Yadav for Akhand Publishing House, Delhi.

The background of the cover is a composite of microscopic images. It features numerous red blood cells, which are biconcave discs, scattered across the field. In the lower center, there is a prominent, glowing blue spherical particle with a textured, spiky surface, resembling a virus or a complex protein structure. The overall color palette is dominated by deep reds and dark blues, with a thin orange horizontal line near the top edge.

Immunological and Biotechnological

Approach to Human Health-Care
